BLACK FRIDAY TIPS & TRICKS

SAFETY: Watch your purchases (and children too) and don't leave them unattended. If you can, take expensive purchases back to the car, but don't leave them visible to passersby. If you can, put them in the trunk to deter prowlers.

PLAN: Black Friday. Best Buy, Walmart, and GameStop are full of so many deals, that if you don't get a look before heading out early, you may miss something. Most retailers also take part in price matching. If you're at a retailer who doesn't have the lowest price, pull up the retailer that does on the internet for the cashier. They might knock the price down.
